ABOUT US

From a single sewing machine in 2010, Restrap started in a back bedroom manufacturing pedal straps. Today Restrap occupies a large workshop in Leeds and has become a close-knit team manufacturing technical bikepacking equipment and bicycle luggage for all kinds of cycling. Distributed and resold in over 29 countries Restrap is a global brand.

MANUFACTURING IN-HOUSE

Restrap continues to push the technical boundaries of innovation and in-house manufacturing, alongside successful collaborations with international brands including CHPT3 and LOOK. We are proud of our Yorkshire Roots and the landscape that inspires our brand.

We continue to invest in the most advanced manufacturing machinery and techniques, we are a team of outdoor enthusiasts who, working with our international ambassadors, continue to rigorously test our products and set the highest standards.

FUNCTIONALITY

We have three principles at Restrap: Design, Build and Ride. Our cutting edge manufacturing and production means we lead the market when it comes to thoughtful design. Every part of our products are carefully considered, with functionality being at the forefront of everything we make.

FABRICS

We use top-of-the-line fabrics and materials in the construction of all our products. We leave no stone unturned when it comes to sourcing the best materials available. We know our bags need to be able to handle anything that's thrown at them.

SUSTAINABILITY

As we make everything in-house, we have full control over all our processes, we are able to keep our waste low and repurpose and recycle everything we can.

GLOBAL REACH

Now sold in over 65 countries and distributed in 29, Restrap is an essential brand in the global community of bike packing enthusiasts.

With over 150,000 products sold annually in the US and N.Europe (Territory 1) and over 30,000 across our S.European, and Asian markets (Territory 2 and 3), we have positioned the brand with its core identity and in-house manufacturing as the go-to technical bike-packing and cycle luggage Brand.

Restrap has a large social media presence, strong brand loyalty and a very high rate of repeat custom.
